

## HOME PROTECTION KIT

Telephone your order on (01285)-850720

### The kit includes:

A 1Kg multi-purpose fire extinguisher. This is a dry-powder type extinguisher and is suitable for Class A (Carboniferous), Class B (Chemical Spillage) and Class C (Electrical) type fires.

A 1m x 1m fire blanket for use on all fires, but is particularly good at dealing with chip or fat type fires.

A 9V battery operated smoke alarm complete with self test feature. Easily fitted with two screws.

Limited Special Offer Price:

# £39.95

- Package includes a Smoke Alarm, Fire Blanket and 1 Kg Multi Purpose Extinguisher.
- **FREE** delivery
- Please allow **14** days for delivery.
- We will advise delivery date in advance.
- Offer applies to U.K. only.
